AN ORDINANCE REQUIRING THE DISPERSING OF SEXUALLY-ORIENTED BUSINESSES AND LIMITING THEM TO SPECIFIED PLACES; PRESCRIBING DEFINITIONS OF SEXUALLY-ORIENTED BUSINESSES; PROVIDING FOR LICENSING, AND REGULATION OF SEXUALLY-ORIENTED BUSINESSES AND EMPLOYEES; AND PROVIDING FOR ADDITIONAL MISCELLANEOUS REGULATIONS FOR SEXUALLY-ORIENTED BUSINESSES.

WHEREAS, the Avery County Board of Commissioners enacted on November 18, 1999 an Resolution establishing a moratorium on Sexually-Oriented Businesses in Avery County pursuant to North Carolina General Statute 160A-181.1 expressly authorizing county regulation of sexually-oriented businesses, being authority in addition to that contained in North Carolina General Statutes 153A-45 and 153A-121; and

WHEREAS, the Avery County Planning Board and staff of the Department of Planning and Inspections have studied the secondary impacts of sexually-oriented businesses and conducted a public hearing, all of which is a matter of record; and

WHEREAS, sexually-oriented businesses require special supervision from the public safety agencies of the County in order to protect and preserve the health, safety, morals and welfare of the patrons of such businesses as well as the citizens of the County; and

WHEREAS, the Planning Board has found by study of impacts in other counties and municipalities that sexually-oriented businesses are frequently used for unlawful sexual activities, including prostitution and sexual liaisons of a casual nature; and

WHEREAS, the concern over sexually-transmitted diseases is a legitimate health concern of the County which demands reasonable regulation of sexually-oriented businesses in order to protect the health and well-being of the citizens; and

WHEREAS, licensing is a legitimate and reasonable means of accountability to ensure that operators and employees of sexually-oriented businesses comply with reasonable regulations and to ensure that operators do not allow their establishments to be used improperly or as places of illegal sexual activity or solicitation; and

WHEREAS, there is convincing documented evidence that sexually-oriented businesses, because of their very nature, have a deleterious effect on the existing uses, including but not limited to businesses, schools, daycare facilities, religious institutions, parks and rural fire departments around them and the surrounding residential areas adjacent to them, causing increased crime and the downgrading of property values; and

WHEREAS, it is recognized that sexually-oriented businesses, due to their nature, have serious objectionable operational characteristics, particularly when they are located in close proximity to each other, thereby downgrading the quality of life in the adjacent areas; and

WHEREAS, family-oriented tourism is an important aspect of the local economy that would be negatively affected by increased crime and downgraded quality of life resulting from sexually-oriented businesses; and

WHEREAS, the Board of Commissioners desires to minimize and control these adverse effects and thereby protect the health, safety, and welfare of the citizenry; protect the citizens from increased crime; preserve the quality of life; preserve the property values and character of surrounding neighborhoods; and

WHEREAS, the Board of Commissioners has determined that locational criteria alone do not adequately protect the health, safety, and general welfare of the people of this County; and

WHEREAS, it is not the intent of this ordinance to suppress any speech activities protected by the First Amendment, but to enact a content neutral ordinance which addresses the secondary effects of sexually-oriented businesses; and

WHEREAS, it is not the intent of the Board of Commissioners to condone or legitimize the distribution of obscene material, and the Board recognizes that state and federal law prohibits the distribution of obscene materials and expects and encourages state law enforcement officials to enforce state obscenity statutes against any such illegal activities in the County.

Pursuant to the authority granted by the Constitution and the legislature of the State of North Carolina, BE IT ENACTED BY THE BOARD OF COMMISSIONERS OF AVERY COUNTY, NORTH CAROLINA:

SECTION I. PURPOSE AND FINDINGS

- (A) **PURPOSE.** It is the purpose of this ordinance to regulate sexually-oriented businesses in order to promote the health, safety, morals, and general welfare of the citizens of the County, and to establish reasonable and uniform regulations to prevent the deleterious location and concentration of sexually-oriented businesses within the County. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually-oriented materials. Similarly, it is not the intent nor effect of this ordinance to restrict or deny access by adults to sexually-oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually-oriented entertainment to their intended market.

Neither is it the intent nor effect of this ordinance to condone or legitimize the distribution of obscene material.

- (B) FINDINGS. Based on evidence concerning the adverse secondary effects of adults uses on the community presented in hearing and in reports made available to the Board, and on findings incorporated in the cases of *City of Renton v. Playtime Theatres, Inc.*, 475 U. S. 41 (1986), *Young v. American Mini Theatres*, 426 U. S. 50 (1976), and *Barnes v. Glen Theatre, Inc.*, 501 U. S. 560 (1991), Watauga County, NC, and the Town of Banner Elk, NC; Horry County and Myrtle Beach, SC; Richland County, SC; Charlotte-Mecklenburg County, NC; Winston-Salem-Forsyth County, NC; Broward County, Florida; St. Johns County, Florida; Kansas City, Missouri; and also on findings from the Report of the Attorney General's Working Group On The Regulation Of Sexually-Oriented Businesses, (June 6, 1989, State of Minnesota).

The Board finds:

- (1) Sexually-oriented businesses lend themselves to ancillary unlawful and unhealthy activities, the control of which elsewhere presents challenges to the operators of such establishments. Further, there is presently no mechanism in this County to make the owners of such establishments responsible for the activities that would occur on their premises.
- (2) Certain employees of sexually-oriented businesses defined in this ordinance as adult theatres and cabarets engage in higher incidence of certain types of illicit sexual behavior than employees of other establishments.
- (3) Sexual acts, including masturbation, and oral and anal sex, occur at sexually-oriented businesses, especially those which provide poorly lit, overly crowded private or semi-private areas, booths or cubicles for viewing films, videos, or live sex shows.
- (4) Offering and providing such space encourages such activities, which creates unhealthy conditions.
- (5) Persons frequent certain adult theatre, adult arcades, and other sexually-oriented businesses for the purpose of engaging in sex within the premises of such sexually-oriented businesses.
- (6) At least 50 communicable diseases may be spread by activities occurring in sexually-oriented businesses, including but not limited to, syphilis, gonorrhea, human immunodeficiency virus infection (HIV-AIDS), genital herpes, hepatitis B, Non A, Non B amebiasis, salmonella infections and shigella infections.
- (7) The surgeon general of the United State in his report of October 22, 1986, has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, exposure to infected blood and blood components, and from an infected mother to her newborn.
- (8) According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.

- (9) Sanitary conditions in some sexually-oriented businesses are unhealthy, in part, because the activities conducted there are unhealthy, and, in part, because of the unregulated nature of the activities and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.
- (10) Numerous studies and reports have determined that semen is found in the areas of sexually-oriented businesses where persons view "adult" oriented films.
- (11) The findings noted in paragraphs number 1 through 10 raise substantial governmental concerns.
- (12) Sexually-oriented businesses have operational characteristics which should be reasonably regulated in order to protect those substantial governmental concerns.
- (13) A reasonable licensing procedure is an appropriate mechanism to place the burden of that reasonable regulation on the owners and the operators of the sexually-oriented businesses. Further, such a licensing procedure will place a heretofore nonexistent incentive on the operators to see that the sexually-oriented business is run in a manner consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of the County. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually-oriented business, fully in possession and control of the premises and activities occurring therein.
- (14) Prohibition of doors on adult booths and requiring sufficient lighting on premises with adult booths advances a substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in adult theatres.
- (15) Requiring licensees of sexually-oriented businesses to keep information regarding current employees and certain past employees will help reduce the incidence of certain types of criminal behavior by facilitating the identification of potential witnesses or suspects and by preventing minors from working in such establishments.
- (16) The disclosure to certain information by those persons ultimately responsible for the day-to-day operation and maintenance of the sexually-oriented business, where such information is substantially related to the significant governmental interest in the operation of such uses, will aid in preventing the spread of sexually-transmitted diseases.
- (17) It is desirable in the prevention of the spread of communicable diseases to obtain a limited amount of information regarding employees who may engage in the conduct which this ordinance is designed to prevent or who are likely to be witnesses to such activity.
- (18) The fact that an applicant for an adult use license has been convicted of a sexually-related crime leads to the rational concern that the applicant may engage in that conduct in contravention of this ordinance.
- (19) The barring of such individuals from the management of adult uses for a period of years serves as a deterrent to and prevents conduct which leads to the transmission of sexually-transmitted diseases.

- (20) The general welfare, health, morals and safety of the citizens of the County will be promoted by the enactment of this ordinance.

SECTION II. JURISDICTION

Except as provided in this Section, the provisions of this ordinance shall not be applicable to and shall not be enforced within the corporate limits or jurisdiction of any municipality in Avery County.
