For your health and safety during this uncertain time, chairs and loungers will be at least 6 feet apart unless the group is a family unit.

- Taped lines on the floors at the check-in area and restrooms will indicate proper social distancing.
- Swim time will be contactless and 6 feet social distancing must be followed.
- All lifeguard rules must be followed.

Parents or Guardians must accompany their children. All guests will be required to sign a release.

We realize this is not going to be the perfect summer pool time, but we believe with proper planning, we can enjoy the Dive-In this summer. County government along with the Avery County Health Department will continue to assess the pool operation and the health of the county. We hope to lift some restrictions before the summer is over.
